Thinking about how to travel in Delhi Metro?  
Just follow these simple steps and make your journey smooth,  
easy and truly world-class!

## 1 Token/Smart Card

- Buy the token to your destination from the counter
- In case you are a frequent traveler or want unlimited travel for a few days, purchase a Smart Card from the Customer Care Cell

## 2 Security Check Ups

- Cooperate with the Metro staff in the friendly frisking & security check ups
- Limit your baggage upto

## 3 Using AFC (Automatic Fare Collection) Gates

- Display the token/smartcard within the designated area on the AFC gate machine before entering
- While crossing, make sure that the children below 3 feet (height) are closely in front of you or on your lap

## 4 Using Escalators

- Step on the escalator and hold the handrail
- Keep away from the yellow lines marked at the sides of the steps
- Step out from the escalator when you reach up/down

## 5 Platforms

- Locate your platform by following the direction signs
- Do not cross the yellow line on platforms while waiting for the train
- Stand facing the direction of travel while waiting at the platform
- Check the arrival time of your train from the digital signboard

## 6 Boarding the Train

- Do not shove or push and let your fellow passengers alight from the train first
- Watch the gap between the train and the platform edge so that your feet do not fall through

## 7 Inside the coach

- Do not block the train doors. Trains can move only if all the doors are properly closed
- Pay attention to the announcements and de-board the train at your destination

## 8 Exit

- Exit from the AFC gates by dropping your tokens in the machine or flashing your smart card
