- All communications sent at the registered email id of the applicant will be considered as

delivered if not bounced back. No separate communication will be sent.

3.0 Introduction

Delhi Metro Rail Corporation Ltd. (DMRC), a Joint Venture (JV) Company incorporated on 03.05.1995 under Section 617 of the Companies Act 1956 with the primary aim of planning, designing and implementing Metro at Delhi, the National Capital Territory of India, with equal equity participation of the Government of India and the Government of the National Capital Territory of Delhi. DMRC is a joint venture company vested with great autonomy and powers to execute this gigantic project of Metro Network at Delhi and NCR, involving many technical complexities, under a difficult urban environment and within a very limited time frame. Delhi Metro is one of the fastest growing Metro in the world. On date Delhi Metro Rail Corporation Ltd. is operating and maintaining 416 km of metro network at Delhi & NCR with 303 stations.

4.0 Aim & Objectives

Delhi Metro Rail Corporation Limited invites online EOI from Indian Companies having interest in Half Height (HH) & Full Height (FH) Platform Screen Doors (PSDs) and willing to associate with DMRC for joint Indigenous development/deployment of PSD system for the upcoming projects in India/outside India.

The objective is to identify, evaluate, and shortlist innovative proposals from Indian firms, based on developed Prototype of PSD System. DMRC will enter into a Memorandum of Understanding (MoU) with the selected applicant(s) to jointly develop/deploy PSD System.

5.0 Roles & Responsibilities

5.1 Applicant Scope:

- Design, Develop, and Demonstration of the Signaling Interface based PSD System considering;
 - Passenger safety and operational reliability
 - Compliance with international standards
 - Energy efficiency and system durability
 - Seamless integration with existing infrastructure
- Manufacture, Supply, Installation, Testing and Commissioning of PSD equipment's on one coach length (04 ASD/Coach) comprising ASD (Automatic Sliding Door), EED (Emergency Escape Door), FS (Fixed Screen), PED (Platform End Door), PSL (PSD Local Control Panel), ECB (Emergency Control Box), PSC (PSD Central Cabinet) , PDC (Power Distribution Cabinet), MMI etc.
- Bear all Development & Deployment costs for PSD system including Signaling Interface cost (Alstom/ Bombardier Signaling System)
- Joint ownership of source code, Software and documentation.
- Support Pilot Deployment and Refinements.
- All Cabling work including Power, Signaling interface, PSD equipment etc.
- Any other requirements not specifically mentioned in DMRC Scope.

5.2 DMRC Scope:

- To provide free electricity for running developed PSD system Equipment's.

- Space for stacking critical PSD Test Equipment.
- Support Pilot Deployment and Refinements.
- To provide Real Time Test Environment viz. Test Platforms, Space for Technical Equipment installation, Terminal points for Signaling Interface etc. after successful GA/GP certification for developed PSD system.

6.0 Local Content

Local Content Requirement for Manufacturing of PSD system shall be minimum 75%.

a) Definition of Local Content:

- Local Content means the amount of value added in India, calculated as:

$$\text{Local Content (\%)} = (\text{Total value of item} - \text{Value of imported content}) / \text{Total value of item} \times 100$$
- Imported content shall include all components, sub-assemblies, and services sourced from outside India, including customs duties.

b) Mandatory Declaration:

The bidder shall submit a self-certified declaration on company letterhead confirming:

- minimum 75% of the Manufacturing has to be done in India.
- Details of manufacturing location(s) in India.
- Break-up of local vs imported content (indicative).

c) DMRC may ask the following documents in addition to self-declaration certificate:

- Certificate from Statutory Auditor / Cost Auditor / Cost Accountant certifying the percentage of local content.
- Additional information covering cost sheets, BOM, and supporting documents.

7.0 Intellectual Property Right (IPR)

- IPR shall be jointly held by DMRC and the Applicant.

8.0 Eligibility & Qualification Criteria

EOIs for this project will be considered only from those Entity that passes the Eligibility & Qualification criteria based on submissions with the EOI. Only such eligible applicants will be allowed to participate for development/deployment of Indigenous Platform Screen Door system.

8.1 Initial Eligibility Criteria:

The prospective applicant-

- must be registered in India.
- shall not suffered bankruptcy/insolvency in past.
- shall not under Corporate Insolvency Resolution Process (CIRP)
- shall not blacklisted by any Central/State Authority/CPSU/Govt Owned Bodies etc.
- shall not involve in any illegal activity and/or has not been charge sheeted for any criminal act in past.

- shall not been penalized for any fraudulent practice in the past.
- shall not been penalized with liquidated damages of 10% (or more) of the contract value due to delay nor imposed with penalty of 10% (or more) of the contract value due to any other reason in any Engineering works during the last 5 years.
- Shall not have pending litigation not more than 50% of Net Worth.
- Ownership (including beneficial owners) shall not be with the countries, sharing Land borders with India w.r.t. General Financial Rules, 2017 (as amended time to time) issued by Department of Expenditure, GOI.

8.2 Technical Eligibility:

The prospective applicant-

- shall have a working Prototype of Half Height/Full Height PSD system.
- shall have a team of qualified competent personnel comprising of minimum 01 Project Manager, 02 Design Engineer, 02 Software Engineer, 01 RAMS Engineer & 01 Quality Engineer for development/deployment of PSD system.
- shall have GA/GP certificate as per EN 50126, EN 50128 & EN 50129.

Or

Shall have applied for GA/GP certification from RDSO approved panel on or before 29/04/2026 (date of publication of EOI) and shall obtain GA/GP certificate within 06 months from date of shortlisting.

8.3 Financial Eligibility:

The prospective applicant-

- Net worth of the company shall be positive as per last audited balance sheet.
- The applicant shall demonstrate that it has access to, or has available liquid asset, lines of credit and other financial means (independent of any contractual advance payment) sufficient to meet the cashflow requirements of INR 3 Crores for the subject development/deployment work as per the last audited balance sheet.

Banking reference should contain in clear terms the amount that bank will be in a position to lend for this work to the applicant. In case the net current assets are negative, only the banking references will be considered otherwise the aggregate of the net current assets and the submitted banking references will be considered for working out the liquidity. The banking reference format is at Annexure-5.

- The applicant shall submit the required details in Annexure-2 duly certified by CA.

9.0 Selection Process

➤ Shortlisting:

- DMRC shall shortlist the applicant based on documentary evaluation for capabilities for Design, Manufacture, Supply, installation, Testing and commissioning of PSD system Prototype submitted with this EOI.
- DMRC may visit the Lab of applicant to ascertain the claims made by them during submission stage.

➤ **Final Selection:**

- Based on the shortlisting, DMRC may select one or more applicant(s) for development/deployment of the PSD system.
- Only two applicant(s) among the shortlisted panel who first obtain the GA/GP Certified within the prescribed timeline shall be considered by Delhi Metro Rail Corporation for carrying out detailed system development, customization, and integration with the existing Signaling system, including validation of operational compatibility. The selected applicants shall conduct testing and validation at a designated platform of an operational station where the PSD system is to be installed. Such testing shall demonstrate seamless interfacing between PSD and signaling systems, compliance with prescribed safety & performance standards, and reliability under real-time operating conditions.

10.0 Award

- MoU with the final selected participants for indigenous development/deployment of PSD system.
Further, the applicant will be bound by NDA (Non-Disclosure Agreement) with DMRC preventing it from entering into similar arrangements with any other Metro / Railways.
- Teaming Agreement will be signed between DMRC and Applicant after successful development of PSD system for future projects in India/Outside India on revenue sharing basis. In case of award of work by DMRC, required eligibility criteria will be considered for selection.
- DMRC reserves the right to select or reject any or all empaneled applicant(s) without assigning any reason whatsoever for Teaming Agreement. DMRC's decision in this regard shall be binding and final.

11.0 Empanelment Duration

The validity of empanelment shall be for an initial period of 'Two Years' which may be extended further on mutual agreement. The progress shall be monitored on the basis of below mentioned duration:

S.No.	Description	Tentative Time Duration (Months)
1.	Designing of PSD System	04
2.	Manufacture & Delivery	02
3.	Installation, Testing & Commissioning.	02
4.	Integrated Testing with Signaling Interface.	01
5.	ISA Certification (SA)	01
6.	Service Trials	02

Note: There is no lower time limit for achieving above stages.

12.0 Submission Requirements

- General/Technical Qualification of the firm. (Annexure-I)

- Financial information (Net Working Capital/Liquidity, Net worth etc) (Annexure-II)
- Applicant Company/Firm Details (Annexure-III)
- Willingness for work execution. (Annexure-IV)
